# 2013

Dear Church Family,

I send you greetings in the name of our Lord. The very one that said, "I am the resurrection and the life. He who believes in Me, though he may die, he shall live." I don't know about you but I am grateful that Jesus gives life. When we study the Word of God we see that He doesn't just give us new life but abundant life while here on earth then we get to spend eternity in heaven with Him too. Hallelujah what a Savior! It is because of this transformation that takes place in our lives that we are where we are today.

This new month brings new opportunities for us to serve the Lord and follow Him in our lives. Because He has saved us and changed us by His power then we should desire that others have the same opportunity as we have in our lives. I hope you will be busy inviting and telling people about what Jesus has done in your life. The gospel still has the power to transform lives. This good news in which we have received is too good to keep to ourselves.

This month is the time of the year when all of our students will go back to school. Let me challenge you to make a difference where you go to school and be a light in a dark place on your college campuses and school campuses alike. Remember that God places lights in dark places and the light that shines the farthest shines the brightest at home.

God has called us to make an eternal difference where He has placed each of us in this season in our lives.

This month will also be the last month of this church year let me encourage you to finish this year strong as we serve the Lord. God is good and deserving of our best. He gave His best to us in allowing His dear son Jesus to die in our place the very least we can do is give our best to Him and worship and serve Him with our best. Have a great month and remember the Good Shepherd loves you and so do I.

I will look forward to seeing you the next Lord's Day, with a Bible in your hand, a friend by your side and the love of Jesus in your heart.

Until He Comes,

*Pastor Scott Faw*

THE FEAR OF THE LORD IS THE  
BEGINNING OF WISDOM Proverbs  
9:10

The summer is quickly coming to a close and Kingdom Kids will finish our study of the Ten Commandments in just a couple weeks. Our last learning session for the summer will be on Tuesday, August 13 (9:00-12:00). Thank you to all those who have attended and all those who helped us by providing delicious lunches this summer! We appreciate your support of this ministry.

I hope you and your family will join us on our final summer outing as we travel to Greensboro for baseball and fireworks - go Hoppers! This event is on Friday, August 9th (game begins at 7:00pm).

Ready or not, school time is upon us! I pray each of you has a wonderful school year in 2013-14. As you head back to the classroom, remember the special God-given rules we studied this summer. Make good choices and put God first in all things.

See you on Tuesday!  
Jamie Burton

## Music Notes

We usually read Psalm 100 around Thanksgiving, but this psalm can remind us to praise the Lord anytime! We can "serve the Lord with gladness." Psalm 100 reminds us that God's "truth endures to all generations." Think about the truths that have been placed in the songs that we sing and "make a joyful noise unto the Lord!"

Our desire here at Moon's Chapel is that our songs are God honoring and lift up His name. Our choir members work together to "come before His presence with singing." We need others of you to join our team effort to sing of God's wonderful works and to lead our worship services. Join us on Wednesday nights right after prayer meeting for our practice time. "Let the redeemed of the Lord say so." Psalm 107:2.

This is a bittersweet article for me to write. This will be my last article as your Embrace Director. It is my true belief that sometimes new ideas can infuse a program and make it grow. I believe that time has come for Embrace Ministries at Moon's Chapel. Elizabeth Faw will be the new Embrace Director for the upcoming church year. Melody Toy will be her assistant. While I hope to remain involved in the activities and ministries, I am excited about the new leadership these young and vibrant women bring to the program.

God has allowed me to be WMU Director/Embrace Director for many, many years. I have received a wonderful blessing from this ministry. I thank you for all of the assistance and valuable teamwork that Moon's Chapel has provided as I have worked diligently to accomplish whatever task the Lord has set before me. Thanks to Pastor Scott for being a ministry minded man. Evangelism is, after all, what we are all about.

My prayer is that we will grow and respond to the new ideas put forth from these Christian women. The most important aspect of any job is that God's will take center stage. I anticipate that will happen just as it is supposed to.

Thanks for allowing me to use my "gift of gab" to promote Lottie Moon and Annie Armstrong, write newsletter articles, promote missions, and everything else you have listened to me "go on" about. I shall always treasure this opportunity that you allowed me to enjoy.

May God Richly Bless Moon's Chapel Embrace Ministries.
