"Because you see every relationship that we have will benefit because of our relationship with the Lord."

Dear Church Family,

The month of January has quickly passed and now our calendars have turned to February. January was a good month for us as we started out 2011. The month of January we saw cold temperatures on the outside but on the inside of our church we have seen some wonderful signs of warmth and good things happening. I trust that we will encourage our guests to come again and make them feel welcome as they consider Moon's Chapel as their church home.

Now that February is here, this is a time of the year when many of our minds turn to love. Now gentlemen let me help you here - on February 14th that special lady in your life is going to be looking for something special and a meal that she doesn't have to cook. I trust that this reminder will be sufficient for all of our men in our church. It will be to your benefit to remember these words.

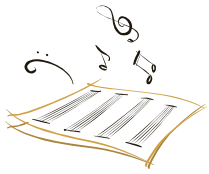

The month of February and the thought of love on my mind takes me to the commitment that so many have made through the years. The commitment that I speak of is obviously marriage. The morning of February 6th, we will recognize those of you that will celebrate a significant anniversary this year. Those being 5,10,15,20,25,30,35, 40 and above. This will be a wonderful time in the Lord as we recognize these milestones in these couples' lives. The weekend following we will have

our annual Marriage Retreat at Myrtle Beach as we again will partner with Hopewell Baptist in Monroe for this event. As of this writing there are around 250 people committed to going that weekend. Ken Bevel (from Fireproof) is our guest speaker for the weekend and we are looking forward to how God will speak to our hearts in great ways that weekend.

I trust this month as we will look afresh at our relationships first and foremost with the Lord and some of you need to commit to Him for the first time. Then others need to recommit to the Lord in their lives and return to Him. Because you see every relationship that we have will benefit because of our relationship with the Lord. He loves us more than any spouse could ever in this life and we need to be committed to Him.

I do trust that as we press on into the year that we will be committed to the Lord as never before. He is worthy of all our lives being committed to Him. I do hope you have a GREAT month as we serve our Lord together. Hopefully Spring will be here soon but until warm weather outside gets here there is no reason we can't have hot hearts for the Lord and His church. I will look forward to seeing you the next Lord's Day with a Bible in your hand, a friend by your side, and the love of Jesus in your heart.

Until He Comes,
Pastor Scott Faw

MUSIC NOTES

Welcome all you new choir members! The Lord is so good to give us voices to sing and to share in our worship services. We thank each choir member for their commitment to serve the Lord through song.

We are all working together to sing God honoring songs to help us all praise His name.

Remember to “sing to the Lord for He has been good to me” (Ps.13:6)

Keep Singing,
Cindy Smith

Thanks so much for all the effort in reaching our Lottie Moon Christmas Offering goal. I am so proud of our church. We did well! We have taken the month of January off from Alumni cottage collections. In February and March, we will be accepting \$5.00 McDonald gift cards or cash donations for the purchase of those. Our boys seem to be good with clothes, etc. due to our generosity. Their cottage “mom” says they love eating out and going to movies, laser tag, skating, etc. These cards and donations will allow us to sponsor those events. If you have a gift card or money, please give it to myself or Sandy Baird. On February 20, our youth will be at the back door after service to receive any of these items you would like to donate (money or gift cards). In March our team kids will be at the back door (date to be announced).

We have been told that every time the refrigerator door is opened, they think of Moon’s Chapel. Thanks again for your support on this project.

Happy Valentine’s Day. Remember to show/tell someone you love them.

See You in Embrace,
Jan Lowe, Director

YOUTH NOTES

Jesus asked, “Were not all ten cleansed? Where are the other nine? Has no one returned to give praise to God except this foreigner?” Then he said to him, “Rise and go; your faith has made you well.” Luke 17:17-19 - Gratitude: it’s not enough to feel it. We’ve got to express it because unexpressed gratitude communicates ingratitude.

What an awesome lesson for us! During the month of February we are going to be studying a series of lessons entitled ‘Live Differently.’ Just like we learned in Andy Stanley’s message showing gratitude is definitely not the expectation of our culture today. We hope to see each of you on Wednesday night!

Visitation Night

God usually does not show us where He is taking us does He? He just wants us to trust Him. It's like driving a car at night. Our headlights never shine all the way to our destination; they illuminate only about 160 feet ahead. But that doesn't deter us from moving forward. We trust our headlights. All we really need is enough light to keep moving forward.

God's word gives us promises that illuminate our road to keep us out of the ditches so that we can press on down the Lord's path. His Word assures us that He knows the plans He has for us, plans for wholeness and not for evil, to give us "a future and a hope" (Jer. 29:11)

Come join us on Tuesday evening, February 22nd for visitation night. We'll go share how God's word can shine and show others what they need to know to keep them from going astray. We meet in the fellowship hall at 6:45 pm to form our teams, get our visits lined up and pray for God's direction. Please share any names you would like us to visit.

Show Your Love,
Cindy Smith
