Genesis 18:19 – "For I have chosen him, so that he will direct his children and his household after him to keep the way of the LORD by doing what is right and just, so that the LORD will bring about for Abraham what he has promised him."(NIV)

Dear Church Family,

By the time you read this article the month of May will either soon be gone or it will be early June. It doesn't seem possible that we are in the month of June already. The months seem to be going faster and faster. The month of June is going to be an exciting month here at Moon's Chapel. I want us to understand that God has given us a wonderful opportunity here to reach this part of Western Chatham and Eastern Randolph counties with the gospel of Jesus Christ. It is with that said we need to be busy about inviting others and sharing with others what God has done in our lives.

This month we have some wonderful opportunities that are before us to serve the Lord. We will have one of my favorite weeks of the year with our Vacation Bible School. I still think this is one of the greatest evangelistic events on the calendar for children. I trust that you will pray for this week that God will work greatly in the lives of the children that are here. This month our students will also go to Fort Caswell for a week. Each year thousands of North Carolina Baptist students attend camp at Caswell and lives are changed by the gospel each year. In years gone by we have several of our students get saved there and that was the case last year. Do pray for the students as they travel to camp and while they are there that God will work in their lives.

With the month of June here school will be out and vacations will be in full swing. Let me

encourage you while you are away to find you a place to Worship. If you would while you are away bring us a church bulletin from the place you worshipped while on vacation. Also let me say a word to you about our giving and we need to remember that our expenses go on all summer so let me encourage you to be faithful in your giving even while away on vacation.

Have a great summer and please be safe in your travels. Please know that I count it a privilege to serve as your pastor and friend.

I will look forward to seeing you the next Lord's Day with a Bible in your hand, a friend by your side, and the love of Jesus in your heart.

Until He Comes,

Pastor Scott Faw

MUSIC NOTES

What is worship? A definition of worship: Worship is the act and attitude of wholeheartedly giving yourself to God—heart, soul, mind and body. Paul also has a definition of worship in Romans 12:1, "Therefore, I urge you, brothers, in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God —this is your spiritual act of worship."

One way we can worship is in Spirit and in Truth. John 4:23-24 says, "Yet a time is coming and has now come when the true worshippers will worship the Father in spirit and in truth, for they are the kind of worshippers the Father seeks. God is spirit, and his worshippers must worship in spirit and in truth." It is also essential that we worship with the totality of our being. Mark 12:30 states, "Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength." Think about loving God through worship by giving yourself back to God in response to all He has given us.

Worship His Holy Name,

Cindy Smith
